SECTION – B (5X5=25)

Answer any FIVE questions

11) A fire occurred on 25-4-2006 in the premises of Mr. Ramesh. From the following data ascertain the claim to be lodged.

Stock on 1-1-2006	Rs. 2,50,000
Purchase from 1-1-2006 to the date of fire	Rs. 10,00,000
Wages	Rs. 2,00,000
Manufacturing expenses	Rs. 1,00,000
Sales from 1-1-2006 to the date of fire	Rs. 15,00,000
The rate of Gross profit	15%
The value of stock salvaged	Rs. 50,000
Insurance policy	Rs. 2,00,000

12) A Salem Head office has a branch at Madurai to which goods are invoiced at cost plus 20 percent. From the details prepare branch account in the H.O books.

Goods sent to branch	2,11,872	Debtors on 1-1-96	24,000
Cash sales	1,10,400	Stock on 1-1-96	7,680
Credit sales	96,000	Stock on 31-12-96	13,440
Cash received from debtors	88,000		

13) Explain the differences between branch and departmental accounts.

14) Mr. Ram the owner of a departmental store decided to calculate separate profits for the first two departments X and Y for the month ending 31-01-2000.

Stock on 31 January could not be valued for some unavoidable reasons but his rate of gross profit (calculated without reference to direct expenses) on sales for the two departments are 40 and 30 percent. The following figures are given.

Particulars	Dept X (Rs)	Dept Y (Rs)
Stock on 1-1-2000	9,000	8,400
Sales	42,000	36,000
Purchases	27,000	21,600
Direct expenses	5,490	8,520

Indirect expenses for the whole business (containing 5 departments) are Rs.10,800 which are to be charged in proportion to department sales, except as to one-sixth ,which is to be divided equally. Sales for remaining three departments were Rs.1,02,000. Prepare a statement showing profits for the two departments X and Y.

15. A firm had two departments cloth and Readymade garments. The Garments were made by the firm itself out of cloth supplied by the cloth department at its usual selling price. Prepare departmental trading accounts and profit and loss a/c for the year ended 31-3-2008.

Opening stock	3,00,000	50,000
Purchases	20,00,000	15,000
Sales	22,00,000	4,50,000
Transfer to Readymade garments department	3,00,000	--
Expenses - Manufacturing	--	60,000
Expenses - selling	20,000	6,000
Closing stock-31-3-2008	2,00,000	60,000

The stock in the readymade department consisting of 75% cloth and 25% other expenses. The cloth department earned a gross profit of 15% in 2006-07.General expenses of the business as a whole came to Rs.1,10,000.
